## Company Profile:

Our company is a unique Australian travel company offering premium holiday experiences in some of Australia's most remote and breathtaking locations.

We offer award winning accommodation and tours from the red heart of Central Australia, soothing green depths of the Daintree Rainforest, the vibrant colors of the Great Barrier Reef, to the vast canyons and rugged alpine mountains of Tasmania.

There are hotels spread across the various resorts which include 1700 hotel rooms, campgrounds, lodges, touring, retail, catering and an airport operation. They also offer eco and cultural tourism experiences.

Our company is focused on providing their guests with incredible memorable experiences, which they would not be able to enjoy anywhere else in Australia.

Our Hotels and Resorts were formed in March 2000. This was the rebranding of the old company (operating since 1992) to better reflect the geographic diversification of the company which was happening at the time with new properties at Alice Springs and Kings Canyon. It also mirrors their guests' desires to journey to unusual destinations for an outstanding experience. In July 2004, we added properties in Tasmania's Central Highlands and Queensland's outback and The Great Barrier Reef.

We are part of one of Australia's oldest and largest listed property groups, with total assets of A\$10.4 billion. The assets include quality investment properties located around Australia in the retail, office, industrial and hotel/tourism sectors.
